# Anesthesia Organizer

Product Code AH11

Detachable Side  
Pouches for  
Suction,  
Dirty  
Laryngoscopes

Avoid placing contaminated equipment directly on the anesthesia machine

- Disposable Cover for Anesthesia Work Surface.
- Clean area to layout clean equipment for use.
- Dedicated pouches to place contaminated equipment!
- Accessible trash bag!
- Reduce cross contamination

# Anesthesia Organizer (Model with front pouches)

## Product Code AH9

Detachable Front Pouches for Suction, Dirty Laryngoscopes, Dirty Bronchoscopes and Trash
